References

Smith, A. & Black, B. (2021). The land management methods of Indigenous tribes in Sudan. *Journal of African Studies*, 20 (14), 22-50.

This article is important for my essay as it provides current, peer-reviewed scientific evidence on land management practices of the Chinhua tribe to support one of my sub-claims.

Worsley, P. (2019). Where the land meets the sky: Understanding African Indigenous agricultural practices. *Journal of Indigenous Studies*, 15 (3), 14-25. doi: <http://www.journalofindigenoustudies.com/px45683>

This article is current, peer-reviewed and has credible evidence-based information on Indigenous practices in Africa which I have used in my essay.
